

PRAXIS I

All candidates seeking initial educator licensure in Vermont and who are not exempt (see Frequently Asked Questions) are required to meet the passing scores established by the State Board of Education on the Praxis I examinations in reading, writing, and mathematics.

The Praxis I Academic Skills Assessment is designed to assess licensure candidates’ level of knowledge and skills in the basic skills areas of reading, writing, and mathematics. Praxis I does not assess one’s knowledge of teaching nor does it predict who will become a good teacher or administrator. Praxis I results only provide information on a candidate’s knowledge and abilities in reading, writing, and mathematics. The assessments are available in two formats:

*** Paper-based Pre-Professional Skills Tests (PPST®)** in reading and mathematics are one-hour multiple choice tests. The writing test includes both a 30-minute multiple choice and a 30-minute essay section. *In Vermont, the PPST is administered at the locations indicated in this brochure.*

*** Computerized Pre-Professional Skills Tests (CPPST®)** in reading, writing, and mathematics contain computer-delivered questions that require selecting single responses or highlighting information. The writing test includes an essay section. Each testing session is two hours long to allow sufficient time for tutorials on computer use, the test itself, and the collection of background information for score reporting. Scores for the computer-based reading and mathematics tests can be seen on the computer at the end of the testing session. Because all essays must be sent to ETS for scoring, a score for the writing test will not be available immediately. Official score reports will be mailed within two or three weeks after the test date. *In Vermont, the CPPST is only administered in Williston. In order to register call the Prometric Candidate Services at 800-853-6773. Do NOT use the PPST standard registration form.*

POLICIES REGARDING PRAXIS I

There are two policies related to Praxis I which create greater flexibility for educators seeking licensure while still maintaining Vermont’s high standards for competency in the basic skills.

Composite Scores: Candidates seeking initial Vermont licensure must meet either the three individual Praxis I tests scores (i.e., Reading–177, Writing–174, and Mathematics–175) or a composite score of 526 (i.e., the total of the three passing scores).

Alternatives to Praxis I: The State Board of Education has adopted the following assessments as alternatives to Praxis I. The results of these assessments will be accepted in lieu of Praxis I if licensure candidates meet the combined and minimum scores presented below. Based on correlational studies, these scores were found to be equivalent to Vermont’s passing scores on the Praxis I Pre-Professional Skills Tests.

FREQUENTLY ASKED QUESTIONS

Who is exempt from taking Praxis I and Praxis II tests?

- Candidates who qualify for a Level II license and who have at least 3 years employment experience within the past 7 years as a licensed educator in the endorsement area being sought
- Candidates who otherwise qualify for licensure or endorsement and who have achieved National Board Certification® in the comparable endorsement area

Do I have to pay a registration fee each time I register to take a Praxis test? No. Test takers are required to pay the registration fee only once during a testing year. Any subsequent registrations within the testing year will not require a registration fee and if test takers submit a registration fee when one is not required, the fee will automatically be refunded.

I missed the regular and the late registration deadline dates. What can I do? Test takers will have an opportunity to use emergency registration up until the Friday one week prior to the test date. Emergency registration is available only by registering online and the fee for this service is \$75.

I have a Vermont license in Elementary Education and will complete my degree in Special Education in spring 2008. Do I need to take any Praxis tests? No. Anyone who already has a Vermont license does not need to take the Praxis I tests and special education is not one of the endorsement areas for which a Praxis II test is currently required.

I took the Praxis tests a few years ago in a different state. Can I use those scores or do I have to take the test again? If candidates complete tests that have the same title codes as the tests Vermont has adopted and the scores meet or exceed Vermont's passing scores, these scores can be used. Candidates should contact the Educational Testing Service and request that an official score report be sent to the Vermont Department of Education using recipient code “8410.”

But I didn't know about this and missed the test date. I have a job offer and need a license. What can I do? Speak to your superintendent about obtaining an Emergency, Provisional, or Apprenticeship license. Each has different requirements. Your superintendent must initiate the process; then the Licensing Office will contact you at your home address.

I want to apply for a license in Trades and Industry. Do I need to take a Praxis test? Yes. All candidates applying for initial Vermont licensure must meet Vermont’s passing scores on the Praxis I tests unless they fall under one of the exemption categories described previously or have qualifying SAT, GRE, or ACT scores.

I want to apply for initial Vermont licensure as an administrator or support professional (e.g., school nurse, guidance counselor). Do I need to take a test? Yes. All educators seeking initial Vermont licensure must meet passing scores on the Praxis I tests unless they fall under one of the exemption categories described previously or have qualifying SAT, GRE, or ACT scores.

Will there be other endorsement areas that will require a Praxis II Subject Assessment test? Subject Assessments for other endorsement areas (i.e., Early Childhood Education; Special Education) are in the early discussion phase.

Can scores be used from other tests (e.g., CBEST, NTE, NYSTE, MSAT) in lieu of Praxis I? No. The State Board of Education has not adopted any of these tests as alternatives to Praxis I.

How do Vermont’s testing requirements apply to Peer Review candidates? Peer Review candidates must meet all licensure testing requirements that are in effect when the Licensing Office receives the candidate's application for a license. Please note that Peer Review candidates can only apply for a license after the panel has recommended the candidate for licensure and the candidate has received written confirmation of such from the Licensing Office.

I am applying for SLP/Audiology licensure in Vermont. What tests are required? Applicants for licensure as an SLP or audiologist must pass the appropriate Praxis II subject assessment (SLP-test code 0330; audiology-test code 0340). Vermont’s passing score for either assessment is 600. **In addition**, applicants who wish to acquire the Educational Speech Language Pathology endorsement (required for work as an SLP in Vermont schools) must met the passing scores for the Praxis I tests explained previously.

I previously held a Vermont educator license and wish to reinstate it. Do I have to meet the testing requirements? No. Vermont’s testing requirements do not need to be met for reinstatement of a previously held educator license.

I am applying for the science endorsement limited to a specific science subject (i.e., biology, chemistry, physics, or earth science). Do I need to take a Praxis II General Science Subject Assessment test? No. Applicants would be required to meet Vermont’s passing score on the applicable Praxis II subject specific test only.

If I passed a Praxis II content knowledge test (English, math, science or social studies), do I also need to pass a middle grades Praxis test in the same content area to obtain a middle grades endorsement? No. A Praxis II passing score in a secondary content area will meet the testing requirements for the middle grades endorsement in that same content area.
